Attorneys for Debtor(s)

In Re:

Laura E. Banks

Debtor(s)

Chapter 13

Case No.: 16-28989-CMG

Judge: Christine M. Gravelle

**CERTIFICATION OF LAURA E. BANKS IN OPPOSITION TO APPLICATION FOR
EARLY TERMINATION OF LOSS MITIGATION**

I, Laura E. Banks, of full age, hereby certifies as follows:

1. I am the Debtor in the above captioned matter and fully familiar with the facts set forth in this certification. I am submitting this certification to oppose the application by Bank of America for early termination of the loss mitigation period.
2. I believe there is a lack of communication between Bank of America and its counsel. I did receive the November 3, 2016 denial letter from Bank of America through counsel. I then contacted my dedicated customer service representative, Sonya Wilbert Anderson. On behalf of Bank of America, she advised me to re-apply and resubmit the documents to the underwriter as the prior denial may have been based on pre-petition income without contributions from friends or family members or stale information.

3. Based on the advice of Bank of America I proceeded to resubmit the loan modification application and voluminous financial documents. Attached as ***Exhibit A*** please find November 29, 2016 letter received from Bank of America confirming that they received the financial information.
4. Attached as ***Exhibit B*** please find November 30, 2016 correspondence received from Bank of America indicating that the package of financial documents received was complete and the "evaluation process should not take more than 30 days."
5. As Bank of America anticipates having a answer to me regarding my pending loan modification application by the end of December, I would ask that the Bank of America attorney request that I be terminated from the loss mitigation program be denied or adjourned to allow Bank of America to make a decision based upon the complete financial documents submitted.

I CERTIFY that the foregoing statements made by me are true to the best of my knowledge. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to punishment.

/s/ Laura E. Banks

We've received your financial documentation. Here's what to expect next.

Thank you for beginning the home loan assistance process with us and for providing your financial information. We will send you a letter in the next few days that either confirms we have all the documents we need from you, or identifies the documents you still need to provide, along with the timeframe in which you must provide them.

What you need to do

Please respond promptly to all requests you receive from us. Our ability to evaluate you for home loan assistance depends on our receipt of all necessary documents. It is important that you provide all requested information as soon as possible. Be advised that your financial documents must not be more than 90 days old at the time we receive them and only remain valid for a period of time (financial documents are valid for up to seven months from the date of the document depending on the type of document and investors' program requirements.) If a document expires before we complete our evaluation, we will notify you and request updated information. **As soon as we receive your documents, we can quickly evaluate your loan for a modification.**

What to expect next

Once we have received all required documents, the loan evaluation process should not take more than 30 days. When we have completed our review, we will notify you whether or not you qualify for a loan assistance option, and provide instructions on what to do next. You will have at least 14 days to accept the offer. The actual number of days will be in the offer letter. If we are unable to offer you a loan assistance option, we will consider you for other foreclosure prevention programs such as a short sale or deed in lieu of foreclosure.

Please note that while we are evaluating your loan, we may use a property valuation report prepared by third parties to estimate the market value of your property. You are entitled to a copy of each valuation report we obtain in connection with our evaluation of your request, and we will provide you with a copy at no additional cost.

Attention borrowers in California and Arizona: Please note that in order to be reviewed for the Hardest Hit Funds (HHF) program for your state, you will need to complete and return the Third Party Authorization Form included in your solicitation package. If you are unable to locate this form and wish to apply, you can contact your customer relationship manager for additional assistance. If you do not return this form, you will not be eligible for the HHF program. You will still be reviewed for all other loss mitigation options, per investor guidelines.

MILITARY PERSONNEL/SERVICEMEMBERS: If you or your spouse is a member of the military, please contact us immediately. The federal Servicemembers Civil Relief Act (SCRA) and similar state laws provide significant protections and benefits to eligible military service personnel. However, military service and/or SCRA qualification may not necessarily prevent foreclosure. If your loan is in default, a court may authorize foreclosure. If you are having difficulty making your payments, please call us as soon as you can so we can discuss various home retention options. You can reach our Enterprise Military Benefits Unit at 877.345.0693. From outside the U.S., please call us at 817.245.4094. Both numbers are available 24/7. Homeowner counseling is also available at agencies such as Military OneSource at militaryonesource.mil or 800.342.9647 and Armed Forces Legal Assistance at legalassistance.law.af.mil, and through HUD-approved housing counseling agencies, which you can find at hud.gov/offices/hsg/sfh/hcc/hcs.cfm.
